About Us

Dronacharya Education academy UPSC/MPSC was founded in Pune in year 2016. With this humble opening we delivered best possible to our students which also highlighted in our results. This led us to a successful venture.

World of competitive exam is very challenging to aspirants. UPSC expects an administrator to be competent and unbiased. In broad terms this is really an assessment of not only his intellectual qualities but also social traits and his interest in current affairs. Some of the qualities to be judged are mental alertness, critical powers of assimilation, clear and logical exposition, balance of judgement, variety and depth of interest, ability for social cohesion and leadership, intellectual and moral integrity. We at make this process comfortable for our students through our teaching and guidance.

We at Dronacharya have committed ourselves to realise the dreams of our students and turn them in to reality. We are proud to announce two new branches in heart of India Nagpur and in Islampur.

We believe in “Live and let others live” philosophy to succeed in life.

Best Wishes..!
